

The 2.5 billion dollar fasteners and fixing industry meets at Fastener Expo Eurasia!

Eurasia Industrial Fasteners and Fixings Trade Fair Fastener Expo Eurasia, is preparing to open its doors between 24-27 May 2023 at Tüyap Fair and Congress Center in Büyükçekmece, Istanbul. Fastener Expo Eurasia is bringing together manufacturers, wholesalers, distributors and end users of fasteners as well as companies specialized in designing and developing fastener manufacturing equipment and materials.

The fasteners industry enjoyed an annual growth rate in double digits for the last 10 years, increasing the market size from USD 850 million to USD 2.5 billion.

Fastener Expo Eurasia, which will be organized in cooperation with RX Tüyap and Fasteners Industrialists and Businessmen Association (BESİAD), will take place between 24-27 May at Tüyap Fair and Congress Center in Büyükçekmece, Istanbul.

Fastener Expo Eurasia, which will be organized by RX Tüyap for the first time this year, is bringing together manufacturers, wholesalers, distributors and end users of fasteners as well as companies specialized in designing and developing fastener manufacturing equipment and materials.

Industrial fasteners, construction equipment - fastening elements, assembly and installation systems, fastener production technologies, storage, distribution and factory equipment will be exhibited during the fair.

More than 30 thousand visitors from 120 countries are expected

Fastener Expo Eurasia, Hardware Eurasia, Tube & Steel and Wire Tech Fair will be held simultaneously on 24-27 May. Representatives from these key industries which complement each other will come together to do business on a global level. More than 30,000 visitors from 120 countries, over 6,000 of them being foreigners, are expected to follow the fairs.

Among the top 8 globally, and among the top 3 in Europe

The fasteners industry continues to contribute to the industrial development of our country and raises the bars even higher by achieving its export and growth targets year after year. Türkiye's fasteners industry enjoyed an annual growth rate in double digits for the last 10 years, increasing the market size from USD 850 million to USD 2.5 billion.

In 2020, the industry exported goods worth 420 million dollars under the pandemic conditions, while it exported goods worth 620 million dollars in 2021 with a 47 percent increase compared to the previous year. The fasteners sector is in the top eight in the world and in the top three in Europe, with these increases, strong production and manufacturing capacity.

Industry professionals will come together

The Fastener Expo Eurasia will allow senior managers, engineers and procurement professionals from many industries and representatives from other industries to meet face-to-face, strengthen existing partnerships and create new business opportunities.

You can visit 4 fairs with one ticket!

Fastener Expo Eurasia's online ticket is free of charge until 24 May, and with one ticket you will be able to visit the Hardware Eurasia, Tube & Steel and Wire Tech Fairs held at Tüyap Fair and Congress Center.
