

Press Release

May 2023

Hardware Eurasia and Fastener Expo Eurasia Fairs took place on May 24-27 at Tüyap Fair and Congress Center in Istanbul with the participation of more than 200 companies and company representatives!

Nearly 10 thousand industry professionals visited these two important trade events of the general and industrial hardware, fasteners and fixings sectors.

Eurasia Hardware Fair, organized in the cooperation with Hardware Industrialists and Businessmen's Association (HISİAD) and with the organization of RX Tüyap; and Fastener Expo Eurasia, organized in cooperation with the Association of Fastener Industrialists and Businesspeople (BESİAD) and with the organization of RX Tüyap, leading manufacturing companies in both hardware and fastener industries gathered under the roof of Tüyap.

1,791 international visitors from 76 countries came to Istanbul to visit the fairs held with the participation of over 200 companies and company representatives. A total number of 9,109 industry professionals visited both fairs, and 200 international VIP buyers met with the exhibitors during the fairs. With the support of the Turkish Ministry of Commerce, General Directorate of Exports, and through the organization of Tüyap foreign offices, international VIP buyers held meetings with the participating companies during the fairs. The fairs are preferred as an international business platform, and sector professionals from 76 countries, mainly Iran, Russia, Tunisia, Lebanon, Serbia, Israel, Iraq, Saudi Arabia, Germany, Bulgaria, Georgia, Italy, Romania, Algeria, Jordan, Morocco, Egypt, Azerbaijan, United Arab Emirates and England were hosted.

Industry professionals met at these shows

The Eurasia Hardware Fair Hardware Eurasia and the Eurasia Industrial Fasteners and Fixings Trade Fair Fastener Expo Eurasia allowed senior managers, engineers and buying professionals from various industries and representatives from other industries to meet face-to-face, strengthen existing partnerships, and create new business opportunities.

Strong business connections were established during these fairs, the representatives of construction markets, white goods, energy and power generation along with automotive industries showed great interest.

The fairs provided the opportunity to meet with the leading manufacturers of the hardware and fastener sectors and decision-making buyers, and contributed to the export volume of the hardware and fastener industries in Türkiye.
